Additional extensions past the 120 days may occur as needed by the County and as mutually agreed upon by the County and the contractor.

11. AWARDS:

As the best interest of the County may require, the right is reserved to make award(s) by individual commodities/services, all or none or any combination thereof. A bidder desiring to bid "No Charge" must so indicate, otherwise the bid proposal will be construed as incomplete and may be rejected.

12. CONTRACTUAL AGREEMENT:

The form of the agreement will be determined by the County. If a sample agreement is included in the bid, the County anticipates that the final agreement will be in substantial conformance with this sample agreement; nevertheless, bidders are advised that any

agreement that may result from the bid may deviate from the sample agreement.

It is expressly agreed that the bidder is and shall be in the performance of all work, services, and activities under the agreement independent and not an employee, agent, or servant of the County. Bidder shall exercise control over the means and manner in which it and its employees perform and work. In all respects bidder's relationship and the relationship of its employees to the County shall be independent and not as employees or agents of the County.

Subcontractors shall be responsible for meeting and submitting the insurance and licensing requirements set forth in the bid documents to the bidder, or the bidder shall extend their insurance policy to cover the subcontractor and their employees. It shall be the responsibility of the bidder to ensure that insurance and licenses required by this agreement are in effect.

14. PRICE/DELIVERY:

The County requires a firm price for the agreement period. Any fees incurred will be checked to confirm compliance with quoted pricing. Failure to hold prices firm through the entire agreement term will be grounds for agreement termination.

All prices shall be F.O.B. destination, freight prepaid (bidder) pays and bears freight charges, bidder owns goods in transit and files any claims). Pricing shall include all transportation charges, labor, and equipment used for delivery to destination and any charges necessary for the exchange of any item that fails to meet specifications.

Price quoted must be the price for new merchandise and free from defects. Any bid proposals containing modifying or "escalator" clauses will not be considered unless specifically requested in the bid specifications.

"Acceptance" as herein used means the acceptance by County of Gadsden, herein referred to as County, after the Purchasing Agent or his authorized agent has, by inspection or test of such items, determined that they fully comply with specifications.

Deliveries of all items shall be made as soon as possible. In the appropriate blank on the bid proposal form, the vendor must indicate the best delivery date after receipt of order (ARO). Deliveries resulting from this bid are to be made during the normal working hours of the County. Time is of the essence and the bidder's delivery date must be specified and adhered to. The successful bidder(s) shall be responsible for making any and all claims against carriers for missing or damaged items.

15. NEWS RELEASES:

The bidder shall obtain the prior approval of the County Administrator's Office for any and all news releases and/or other publicity pertaining to this bid or the service, study or project to which it relates.

16. ADDITIONS OR DELETION OF SERVICES:

The County reserves the right to add to the services specified in this bid, or to delete any portion of the scope of services at any time.

17. QUANTITIES:

The quantity requirements, if established herein, are estimated. The County reserves the right to increase or decrease the total quantities of any item or service to meet actual needs. There shall be no quantity pricing restrictions.

18. ACCEPTANCE/REJECTION:

The County reserves the right to accept or to reject any or all bids and make the award to that bidder, who in the opinion of the County, will be in the best interest of and/or the most advantageous to the County. The County also reserves the right to reject the bid proposal of any bidder who has previously failed in the proper performance of an award or to deliver on time agreements of a similar nature or who is not in a position to perform properly under this award. The County reserves the right to waive any irregularities and technicalities and may, at its discretion, request a re-bid.

19. ALTERNATIVES/APPROVED EQUAL/DEVIATIONS:

Unless otherwise specified, the mention of the particular manufacturer's brand name or number in the specifications does not imply that this particular product is the only one that will be considered for purchase. This reference is intended solely to designate the type or quality of merchandise that will be acceptable. Alternate offers will be considered and must include descriptive literature and/or specifications. Failure to provide descriptive literature and/or specifications with alternate offers may be cause for disqualification of the bid. The County shall make the determination as to whether any alternate product or service is or is not equal, and such determination shall be final and binding upon all bidders.

The bidder shall be responsible for reading carefully, and understanding completely, the requirements and specifications of the items bid upon. Any deviation from specifications listed herein must be clearly indicated, otherwise it will be considered that items offered are in strict compliance with these specifications, and the successful bidder will be held responsible. Therefore deviations must be explained in detail on an attached sheet(s) and itemized by number. Any item(s) that do not meet the County's specifications upon delivery will not be accepted and if the item cannot be brought up to specifications in a reasonable time (reasonable time as determined by the County), the bidder will be required to compensate the County for difference in price incurred from going to the next low bidder.

20. NO BID:

Where more than one item is listed, any items not bid upon shall be indicated "NO BID." If no items are bid on, the "Statement of Non-Response" should be returned, with the envelope plainly marked "NO BID" and with the bid number. Failure to do so will be an indication that the bidder does not wish to be considered for future bids/RFPs.

21. OMISSION OF DETAILS:

Omission of any essential details from these specifications will not relieve the bidder of supplying such product(s) as specified.

22. MISTAKES:

In the event of extension error(s) the unit price will prevail and the bidder's total offer will be corrected accordingly. In the event of addition errors, the extended totals will prevail and the bidder's total will be corrected accordingly. If there is a difference between the written price and the numerical price, the written price shall prevail. Bidders must check their bid proposal where applicable. Failure to do so will be at the bidder's risk. Bid proposals having erasures or corrections must be initialed in ink by the bidder.

23. AVAILABILITY OF FUNDS:

The obligations of the County under this award are subject to the availability of funds lawfully appropriated for its purpose by the Board.

24. PAYMENT:

The County will make payment after all commodities/services have been received/completed, accepted and properly invoiced as indicated in agreement and/or order. Invoices must bear the purchase order number. Payment shall be made within 30 days of such acceptance.

25. DISCOUNT:

Bidders may offer a discount for prompt payment. However, such discounts will not be considered in determining the lowest net cost for bid evaluation purposes, unless otherwise specified in Special Conditions. Bidders should reflect any discounts to be considered in the bid evaluation in the unit prices bid.

26. ADDITIONAL SERVICES:

The County may require additional services, similar in scope to the requirements of this RFP, from time to time. Services not specifically identified in this RFP may be added by mutual agreement of the Parties and approval of the County Manager.

27. TERMINATION:

a. Termination for Cause

If, through any cause, the bidder shall fail to fulfill in a timely and proper manner, its obligations under the Purchase Order, or if the bidder shall violate any of the provisions of the Purchase Order, the County may upon written notice to the bidder, terminate the right of the bidder to proceed under the Purchase Order, and may hold the bidder liable for any damages caused to the County by reason of such default and termination. In the event of such termination, any completed services performed by the bidder under the agreement shall, at the option of the County, become the County's property and the bidder shall be entitled to receive equitable compensation for any work completed to the satisfaction of the County. The bidder, however, shall not thereby be relieved of liability to the County for damages sustained by the County by reason of any breach of the agreement by the bidder, and the County may withhold any payments to the bidder for the purpose of off set until such time as the amount of damages due the County from the bidder is determined. The bidder shall not be held liable for damages solely for reasons of delay if the delay is due to causes beyond its control and without its fault or negligence, but this shall not prevent the County from terminating the agreement because of such delay.

b. Termination for Convenience

The County reserves the right, in its best interest as determined by the County, to cancel any agreement by giving the bidder a thirty (30) day written notice.

28. PERFORMANCE:

The County may return, for full credit, any item(s) received which fail to meet the County's performance standards.

36. UNIFORM COMMERCIAL CODE:

The Uniform Commercial Code (Florida Statutes, Chapter 672) shall prevail as the basis for contractual obligations between the awarded bidder and the County for any terms and conditions not specifically stated in the Invitation to Bid.

37. INDEMNIFICATION:

Bidder agrees to protect, defend, reimburse, indemnify and hold the County, its agents, employees and elected officers and hold each of them free and harmless at all times from and against any and all claims, liability, expenses, losses, suits, costs, fines and damages (including attorney fees) and causes of action of every kind and character against or from the County by reason of any damage to property or the environment, or bodily injury (including death) incurred or sustained by any party hereto, or any party acquiring any interest hereunder, and any third or other party whomsoever, or any governmental agency, arising out of or incident to or in connection with bidder's performance under this agreement, bidder's acts, omissions or operations hereunder, or the performance, nonperformance or purported performances of the bidder or any breach of the items of this agreement; provided, however, the bidder shall not be responsible to the County for damages resulting out of bodily injury or to property which bidder can establish as being attributable to the sole negligence of the County, its respective agents, servants, employees or officers.

The bidder acknowledges and agrees that the County would not enter into an agreement without this indemnification of the County by the awarded bidder, and that the County's entering into an agreement shall constitute good and sufficient consideration for this indemnification. These provisions shall survive the expiration or earlier termination of the agreement. Nothing in the agreement shall be construed to affect in any way the County's rights, privileges, and immunities as set forth in Florida Statutes 768.28.

38. CONE OF SILENCE:

The County complies with the Cone of Silence, which provides for a prohibition on any communication, except for written correspondence, regarding a particular request for bid, request for qualification, bid, or any other competitive solicitation between any person or person's representative seeking an award and any member of the County or employee authorized to act on behalf of the County to award an agreement. The cone of silence shall be in effect as of the deadline to submit the proposal, bid, or other response to a competitive solicitation and shall terminate at the time the County Commission or department authorized to act on behalf of the County Commission, awards or approves a proposal, rejects all proposals, responses, or otherwise takes action which ends the solicitation process.

All communications regarding this competitive solicitation shall be addressed in written form to Purchasing staff only. These provisions

do not apply to oral communications at any public proceeding, selection committee presentation, or negotiation meeting.

39. CONFLICT OF INTEREST:

The award is subject to provisions of State Statutes and County Ordinances. No premiums, rebates or gratuities permitted; either with, prior to, or after any delivery of material or provision of services. Any such violation may result in agreement cancellation, return of materials or discontinuation of services and the possible removal from the vendor bid list(s). Only one (1) bid proposal from any individual, firm, partnership, or corporation, under the same or different names, will be considered. Should it appear to the County that any bidder is interested in more than one (1) bid proposal for work contemplated; all bid proposals in which such a bidder is interested will be rejected.

41. CODE OF ETHICS:

If any bidder violates or is a party to a violation of the code of ethics of Gadsden County or the State of Florida with respect to this bid, such bidder may be disqualified from performing the work described in this bid or from furnishing the goods or services for which the bid proposal is submitted and shall be further disqualified from submitting a response on any future bids/RFPs for work, goods or services for the County of Gadsden.

No remedy herein conferred upon any party is intended to be exclusive of any other remedy, and each such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party or any right, power, or remedy hereunder shall preclude any other or further exercise thereof.

43. EEO STATEMENT:

The County is committed to assuring equal opportunity in the award of agreements and, therefore, complies with all laws prohibiting discrimination on the basis of race, creed, color, religion, national origin, sex, age and non-disqualifying physical or mental disability.

44. SEVERABILITY:

The invalidity, illegality, or unenforceability of any provision of the agreement, or the occurrence of any event rendering any portion or provision of the agreement void, shall in no way affect the validity or enforceability of any other portion or provision of the agreement. Any void provision shall be deemed severed from the agreement and the balance of the agreement shall be construed and enforced as if the agreement did not contain the particular portion or provision held to be void. The parties further agree to reform the agreement to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision. The provisions of this section shall not prevent the entire agreement from being void should a provision which is of the essence of the agreement be determined to be void.

45. PUBLIC RECORDS:

Upon award recommendation or thirty (30) days after opening, whichever occurs first, bid proposals become public records and shall be subject to public disclosure consistent with Chapter 119, Florida Statutes. Bidders must invoke the exemptions to disclosure provided by law in the response to the bid, and must identify the data

or other materials to be protected, and must state the reasons why such exclusion from public disclosure is necessary.

46. RECORDS/AUDITS:

The County of Gadsden is a public agency subject to Chapter 119, Florida Statutes. The Contractor shall comply with Florida's Public Records Law. Specifically, the Contractor shall:

- (a) Keep and maintain public records required by the County in order to perform the service.
- (b) Upon request from the County's custodian of public records, provide the public agency with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.
- (c) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the contractor does not transfer the records to the County.
- (d) Upon completion of the contract, transfer, at no cost to the County, all public records in possession of the Contractor, or keep and maintain public records required by the County to perform the service. If the Contractor transfers all public records to the County upon completion of the contract, the Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Contractor keeps and maintains public records upon completion of the contract, the

Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the County, upon request from the County's custodian of public records in a format that is compatible with the information technology systems of the County.

During the term of the contract, the Contractor shall maintain all books, reports and records in accordance with generally accepted accounting practices and standards for records directly related to this contract. The form of all records and reports shall be subject to the approval of the County's Auditor.
