Material requirements of the bid are those set forth as mandatory, or without which an adequate analysis and comparison of replies is impossible, or those which affect the competitiveness of replies or the cost to the County. A bidder whose replies, past performance or current status that do not reflect the capability, integrity, or reliability to perform fully and in good faith the requirements of the ITB may be rejected as non-responsible.
- 4.3 The County reserves the right to determine which Bids meet the material

requirements of the ITB and which Bids are responsible and/or responsive. Further, the Board may reject any and all Bids and seek new Bids when it is in the best interest of the County to do so.

- 4.14 Bids should be typed or clearly written. No changes in or corrections to Bids will be allowed after the Bids are opened.
- 4.15 The signer of the Bid must declare that the Bid in all respects is fair and in good faith without collusion or fraud and that the signer of the Bid has the authority to bind the principal Bidder.

- 5.5 All Bids will be opened on the date and time indicated in Section 1.0, Schedule of Events (i.e., date Bids are due) or as modified by addendum.
- 5.6 Pricing shall be valid for a period of ninety (90) days from the opening of Bid or until the award is made, whichever occurs later.

SECTION 6.0 EVALUATION OF BIDS AND SELECTION PROCESS

- 6.1 Bidders who satisfy the required qualifications and are deemed responsible Bidders and who timely submit a responsive Bid will be considered by the County.
- 6.2 A Bidder whose Bid, past performance, or current status that does not reflect the capability, integrity, or reliability to perform fully and in good faith the requirements of the ITB and contract may be rejected as non-responsive.
- 6.3 Responses to this ITB, not meeting the requirements specified herein may be considered non-responsive or not responsible, as applicable.
- 6.4 The County may consider the following factors in addition to price when determining whether a Bidder is responsive and responsible:
 - A. Ability, capacity, and skill of the Bidder to perform the contract.
 - B. Whether the Bidder can perform the contract within the time specified, without delay, interference, or conflict with current workload.
 - C. Character, integrity, reputation, judgment, experience, and efficiency of the Bidder.
 - D. Quality of performance of previous contracts.
 - E. Previous and existing compliance by the Bidder with laws and regulations relating to the contract.
 - F. Sufficiency of the financial resources and ability of the vendor to perform the contract or provide the Work.
 - G. Quality, availability and adaptability of the supplies or contractual services to the particular use required.
 - H. Ability of the Bidder to provide further maintenance and service for the use of the subject of the contract, if applicable.
 - I. Number and scope of conditions attached to the bid or quote.
 - J. Qualifications of personnel, licensing, and corporate qualifications.
 - K. Evidence of improper litigation.
 - L. Use of one or more subcontractors with a record of inferior performance.

- 6.5 For the purposes of this ITB, the County may consider evidence within the ten-year period preceding this ITB.
- 6.6 In the event the lowest, responsive, responsible bid for construction project exceeds the grant or AFFORDABLE HOUSING COMMITTEE probable cost estimates, the County Administrator or their designee is authorized, when time or economic considerations preclude rebidding of work of a reduced scope, to negotiate an adjustment of the scope of work with the lowest, responsive, responsible bidder, to bring the bid within the available funding.
- 6.7 Clarification from Bidders: The County may seek clarification from any or all Bidders and consider such supplementary information in the evaluation of the Bid.
- 6.8 The County reserves the right to reject any and all Bids, including without limitation, nonconforming, non-responsive, unbalanced, or conditional Bids. The County reserves the right to reject the Bid of any Bidders whom it finds, after reasonable inquiry and evaluation, to be non-responsible. The County also reserves the right to waive all informalities not involving price, time, or changes in the Work and to negotiate contract terms with the successful Bidder.
- 6.9 More than one Bid for the same work from an individual or entity under the same or different names will not be considered. Reasonable grounds for believing that any Bidder has an interest in more than one Bid for the Work may be cause for disqualification of that Bidder and the rejection of all Bids in which that Bidder has an interest.
- 6.10 In evaluating Bids, the County will consider whether or not the Bids comply with the prescribed requirements, and such alternates, unit prices and other data, as may be requested in the Bid Form or prior to issuance of the Notice to Proceed.
- 6.11** In evaluating Bidders, the County will consider the qualifications of Bidders and may consider the qualifications and experience of subcontractors, suppliers, and other individuals or entities proposed for those portions of the Work for which the identity of subcontractors, suppliers and other individuals or entities may be required to be submitted as provided herein. **Refer to Attachment 1. Instructions to Bidders and Bid Construction.**
- 6.12 The County may conduct such investigations as it deems necessary to establish the responsibility, qualifications, and financial ability of Bidders, proposed subcontractors, suppliers, individuals, or entities to perform the work. Any bidder or sub-contractor having access to County facilities or property may be required to be screened to a level that may include but not limited to fingerprinting and a statewide criminal background check with any all fees for such the responsibility of the Bidder or subcontractor.

- 6.13 Responses to the ITB not meeting the requirements specified herein will be considered non-responsive or not responsible, as applicable.
- 6.14 Right of Rejection: The County reserves the right to reject a bid or all bids per Section 8.9, if in the best interest of the County. All Bidders are cautioned to make no assumptions unless their Bid (response) has been deemed responsive.

SECTION 7.0 INTENT TO AWARD AND CONTRACT EXECUTION

- 7.1 The County reserves the right to incorporate the successful Bid into the Contract. **Failure of a firm to accept this obligation may result in the cancellation of the award to said Bidder and the County shall then negotiate with the next ranked Bidder.**
- 7.2 The construction, interpretation, and performance of this ITB, and all transactions under it shall be governed by the laws of the State of Florida and Gadsden County. The Agreement shall include all terms and conditions of this ITB, any addenda, response, and the County's contract issued as a result of this ITB.
- 7.3 The County reserves the right to make award(s) to more than one Bidder and/or by individual items, group of items all or none, or a combination, thereof. Award will be made to the lowest responsible and responsive Bidder(s) within the category chosen for the basis of award.
- 7.4 The selected Bidder will be required to assume responsibility for all Work offered in the Bid. The County will consider the selected Bidder to be the sole point of contact regarding contractual matters, including payment on any or all charges.
- 7.5 All notices for the intent to award, award, or other events will be posted to the County's website in accordance with Section 1.0 Schedule of Events.
- 7.6 The recommended lowest, responsive and responsible Bid deemed best by the County shall be presented by the County Administrator in the form of an Agenda Request to the Gadsden County Board of Commissioners, who shall either accept or deny the recommendation of the selection committee as presented by the County Administrator.
- 7.7 After successful posting of the intent to award for 72 hours per section 8.4, and Board approval of an award, the County will negotiate a contract with the successful Bidder(s) in accordance with County policy, Florida Law, this ITB, and the successful Bidder's Bid.

SECTION 8.0 STANDARD TERMS AND CONDITIONS (STAC)

Conformity and adherence to the terms and conditions of this ITB shall be considered by the County as part of its process in determining responsible and responsive Bids.

8.2 Issuance of Addenda

If this ITB is amended, the County Procurement Office will issue an appropriate addendum to the ITB. If an addendum is issued, all terms and conditions not specifically modified shall remain unchanged.

An addendum to this ITB will be issued if any of the events, dates and/or times referenced in Section 1.0 change. Some dates/times may be determined at each phase.

Any and all such interpretations and supplemental instructions issued per Section 1.0 shall be in the form of a written addendum, which, if issued, shall be posted on the County's website on the date indicated in Section 1.0, Schedule of Events. Such written addenda shall be binding on the Bidder and shall become a part of the ITB Document(s).

8.3 Florida Public Records Law and Confidentiality

- 8.3.1 By submitting a Bid in response to this ITB, a Bidder acknowledges that the County is a governmental entity subject to the Florida Public Records Law (Chapter 119, Florida Statutes). The Bidder further acknowledges that any materials or documents provided to the County may be "public records" and, as such, may be subject to disclosure to, and copying by, the public unless otherwise specifically exempt by Law.

8.3.2 Should the Bidder provide the County with any materials which it believes, in good faith, contain information that would be exempt from disclosure or copying under Florida Law; the Bidder shall indicate that belief by typing or printing, in bold letters, the phrase:

A. **"PROPRIETARY INFORMATION"** on the face of each affected page of such materials. The Bidder shall submit to the County both a complete copy of such material and a redacted copy in which the exempt information on each affected page, and only such exempt information, has been rendered unreadable. In the event a Bidder fails to submit both copies of such material, the copy submitted will be deemed a public record subject to disclosure and copying regardless of any annotations to the contrary on the face of such document or any page(s) thereof.

B. **NOTE: The County will not accept Bid submittals when the entire submittal is labeled as exempt from public disclosure. Developer's References and Cost or Price information will be deemed a public record, and if a claim of confidentiality/proprietary information is made, the County may deem the Bid submittal as "non-responsive."**

8.3.3 Should any person request to examine or copy any material so designated and provided the affected Bidder has otherwise fully complied with this provision, the County, in reliance on the representations of the Bidder, will produce for that person only the redacted version of the affected materials. If the person requests to examine or copy the complete version of the affected material, the County shall notify the Bidder of that request, and the Bidder shall reply to such notification, in writing that must be received by the County no later than 4:00 p.m., EST, of the second County business day following Bidder's receipt of such notification, either permitting or refusing to permit such disclosure or copying.

8.3.4 Failure to provide a timely written reply shall be deemed consent to disclosure and copying of the complete copy of such material. If the Bidder refuses to permit disclosure or copying, the Bidder agrees to, and shall, hold harmless and indemnify the County for all expenses, costs, damages, and penalties of any kind whatsoever which may be incurred by the County, or assessed or awarded against the County, in regard to the County's refusal to permit disclosure or copying of such material. If litigation is filed in relation to such request and the Bidder is not initially named as a party, the Bidder shall promptly seek to intervene as a defendant in such litigation to defend its claim regarding the confidentiality of such material. This provision shall take precedence over any provisions or conditions of any Bid submitted by a Bidder in response to this ITB and shall constitute the County's sole obligation with regard to maintaining confidentiality of any document, material, or information submitted to the County.

8.4 Right to Protest

Any person who is affected adversely by the decision or intended decision of the County shall file with the Purchasing Division a notice of intent to protest in writing within 72 hours after the posting of the bid tabulation. Thereafter, a formal protest

shall be filed, in writing within ten (10) calendar days after the date of the filing of the notice of intent to protest.
